

ELEVATED COLORING: WATERCOLOR MARKERS

What You'll Need:

- Washable markers
- Paint brush
- Water Cup*
- Watercolor Paper*
- Paper Towel

Directions

1. Use the washable markers to draw out a design.
It can be any subject you like.
2. Color in as much or as little as you like.
3. Load the brush up with water and brush directly on top of your marks and watch it spread the marker lines!
4. When you are done, it will look like you created it with watercolor paints.
