PAPER BOWL DRUM

Create your very own hand drum and play your own tune!

What You'll Need:

- 2 Paper Bowls
- Tape or stapler
- Markers

Directions

Take + Make Bags

1. Stack two paper bowls on top of one another, with their insides facing inward.
2. Attach the bowls together around the seam taping or gluing around the edges of the bowls.
3. Use the markers to decorate! Then test out your new drum!
